INTRODUCTION

Amyris, Inc. and the other above-captioned debtors and debtors in possession (collectively, the “Debtors”) propose this joint chapter 11 plan of reorganization (as amended, supplemented, or otherwise modified from time to time, this “Plan”) for the resolution of the outstanding Claims against, and Interests in, the Debtors. Capitalized terms used herein and not otherwise defined shall have the meanings ascribed to such terms in Article I.A of this Plan. Although proposed jointly for administrative purposes, the Plan constitutes a separate Plan for each Debtor. The Debtors are the proponents of the Plan within the meaning of section 1129 of the Bankruptcy Code. The classification of Claims and Interests set forth in Article III of this Plan shall be deemed to apply separately with respect to each Plan proposed by each Debtor, as applicable and set forth herein. The Plan does not contemplate substantive consolidation of any of the Debtors, other than for purposes of voting on and distributions under the Plan.

Reference is made, and Holders of Claims or Interests may refer, to the accompanying Disclosure Statement for a discussion on the Debtors’ history, businesses, assets, results of operations, historical financial information, valuation, projections, risk factors, a summary and analysis of the Plan, and certain related matters.

ALL HOLDERS OF CLAIMS AGAINST AND INTERESTS IN THE DEBTORS, TO THE EXTENT APPLICABLE, ARE ENCOURAGED TO READ THIS PLAN AND THE DISCLOSURE STATEMENT IN THEIR ENTIRETY BEFORE VOTING TO ACCEPT OR REJECT THIS PLAN. ALL HOLDERS OF CLAIMS AND INTERESTS SHOULD REVIEW THE SECURITIES LAW RESTRICTIONS AND NOTICES SET FORTH IN THIS PLAN (INCLUDING, WITHOUT LIMITATION, UNDER ARTICLE IV HEREOF) IN FULL.

THE ISSUANCE OF ANY SECURITIES REFERRED TO IN THIS PLAN SHALL NOT CONSTITUTE AN INVITATION OR OFFER TO SELL, OR THE SOLICITATION OF AN INVITATION OR OFFER TO BUY, ANY SECURITIES IN CONTRAVENTION OF APPLICABLE LAW IN ANY JURISDICTION. NO ACTION HAS BEEN TAKEN, NOR WILL BE TAKEN, IN ANY JURISDICTION THAT WOULD PERMIT A PUBLIC OFFERING OF ANY SECURITIES REFERRED TO IN THIS PLAN (OTHER THAN SECURITIES ISSUED PURSUANT TO SECTION 1145 OF THE BANKRUPTCY CODE IN A DEEMED PUBLIC OFFERING) IN ANY JURISDICTION WHERE SUCH ACTION FOR THAT PURPOSE IS REQUIRED.

Causes of Action, Direct Claims and controversies released, settled, compromised, discharged, satisfied, or otherwise resolved pursuant to the Plan. The Plan shall be deemed a motion to approve the good faith compromise and settlement of all such Claims, Interests, Causes of Action, Direct Claims and controversies pursuant to Bankruptcy Rule 9019, and the entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of such compromise and settlement under section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, as well as a finding by the Bankruptcy Court that such settlement and compromise is fair, equitable, within the range of reasonableness and in the best interests of the Debtors, their Estates, and Holders of Claims and Equity Interests and holders of Direct Claims. Subject to Article VII hereof, all distributions made to Holders of Allowed Claims and Allowed Interests, as applicable, in any Class are intended to be, and shall be, final.

Certain claims and Causes of Action may exist between one or more of the Debtors and Affiliates that are not wholly-owned by a Debtor (in either or both directions), which claims and Causes of Action (other than any such claims and Causes of Action that are released pursuant to Article IX) will be deemed waived for purposes of receiving any Distributions under the Plan, and such Claims that are canceled, released or discharged as determined by the Debtors shall be canceled, released and discharged as to the Reorganized Debtors and its Affiliates. The Plan shall be deemed a motion to approve the good faith compromise and settlement of such claims and Causes of Action pursuant to Bankruptcy Rule 9019.

2. Estate Claims Settlement.

In accordance with the Plan Support Agreement, the Plan provides for the Estate Claims Settlement to be approved by the Bankruptcy Court on the Confirmation Date pursuant to Bankruptcy Rule 9019 and, if approved by the Bankruptcy Court, shall be incorporated into the Confirmation Order.

Each of the Debtors, on its own behalf and as a representative of its Estates, to the fullest extent permitted under applicable law, shall, and shall be deemed to, completely and forever release, waive, void and extinguish unconditionally, as against each and all of the Released Parties, any and all Claims, Estate Causes of Action, interests, obligations, suits, judgments, damages, debts, rights, remedies, set offs, and Liabilities of any nature whatsoever, whether liquidated or Unliquidated, fixed or Contingent, matured or unmatured, known or unknown, foreseen or unforeseen, then existing or thereafter arising, in law, equity, tort, contract, or otherwise, that are or may be based in whole or part on any act, omission, transaction, event, occurrence, or other circumstance, whether direct or derivative, taking place or existing on or prior to the Effective Date (including prior to the Petition Date) arising from, in connection with, or related to, directly or indirectly, in any manner whatsoever, the Debtors or their operations, assets, liabilities, financings, the Estates, or the Chapter 11 Cases, that may be asserted by or on behalf of such Debtor or its Estate, against any of the Released Parties; *provided, however*, that nothing in this section shall operate as a release, waiver, discharge or impairment of any Estate Causes of Action transferred to the Creditor Trust, which are preserved notwithstanding anything to the contrary herein (the "Debtors' Release").

Notwithstanding anything to the contrary in the foregoing, the releases set forth above do not release: (a) any post-Effective Date obligations of any party or Entity under the Plan, the Confirmation Order, any Restructuring Transaction, any Definitive Document, or any other document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan or the Restructuring Transactions; (b) the rights of any Holder of Allowed Claims to receive distributions under the Plan; (c) any Claims for indemnification that are expressly assumed by the Reorganized Debtors pursuant to the Plan or any document, instrument, or agreement executed to implement the Plan or the Restructuring Transactions; or (d) any obligations arising under business or commercial agreements or arrangements among the Released Parties and any non-Debtor Entity.

The Confirmation Order shall reflect the Bankruptcy Court's approval of the Estate Claims Settlement, pursuant to Bankruptcy Rule 9019, which includes by reference each of the related provisions and definitions contained in the Plan, and further, shall constitute the Bankruptcy Court's finding that the Debtors' Release is: (i) in exchange for the good and valuable consideration provided by the Released Parties; (ii) a good faith settlement and compromise of the claims or Causes of Action released by the Debtors' Release; (iii) in the best interests of the Debtors, the Estates, and all Holders of Claims and Interests; (iv) fair, equitable and reasonable; (v) given and made after reasonable investigation by the Debtors and after notice and opportunity for hearing; and (vi) a bar to any of the Debtors, the Reorganized Debtors, or the Estates asserting any claim or Cause of Action released by the Debtor release against any of the Released Parties.

As consideration for the releases, the DIP Lender and the Foris Prepetition Secured Lenders have agreed in consideration of the Estate Claims Settlement to allocate Net Proceeds, which would otherwise be distributed to them, to fund the payments required under the Plan as follows: (i) to satisfy Allowed Administrative Claims, Allowed Professional Fees, and Allowed Priority Tax Claims, (ii) U.S. Trustee Fees; (iii) on account of the treatment of Classes 1, 2, 6 (Lavvan Settlement Consideration), 7, & 8, (iv) the Ad Hoc Cross-Holder Group Restructuring Expenses, (v) the Ad Hoc Group Restructuring Expenses, (vi) to fund the Estate Claims Cash Settlement Consideration, and (vii) to fund amounts payable to DSM pursuant to the DSM Term Sheet and/or DSM AP Stipulation. In addition, Net Proceeds to which the DIP Lender and Foris Prepetition Secured Lenders are otherwise entitled will be re-allocated to fund the Third-Party Release Settlement Amounts. To the extent the Net Proceeds are insufficient to fund the Third-Party Release Settlement Amount, Estate Claims Settlement Cash Consideration, and the Lavvan Settlement Consideration, the Third-Party Release Settlement Amount, Estate Claims Settlement Cash Consideration, and the Lavvan Settlement Consideration shall be funded by the DIP Lenders, the Foris Prepetition Secured Lenders, and/or from an advance under the Exit First Lien Facility.

3. Third-Party Release Settlement.

As set forth herein and in Article IX, hereof, the Releasing Parties are subject to the Third-Party Release (either non-consensually or consensually) as provided for under the Plan. As consideration for the Third-Party Release, the DIP Lender and the Foris Prepetition Secured Lenders are voluntarily agreeing in connection with the Third-Party Release Settlement to allocate Net Proceeds and assets of the Estates that would otherwise be paid to them to fund the Third-Party Release Settlement Amounts as provided for under the Plan herein and in Article IX.D.

Upon the Effective Date, the Third-Party Release Settlement Amounts that are allocated to holders of Allowed Unsecured Claims, will be transferred to the Creditor Trust and the Creditor Trustee shall fund distributions in accordance with the Plan, after payment of all direct out of pocket administrative, personnel, legal costs and expenses incurred after the Effective Date in making distributions provided for under the Plan. The mechanics for establishing, implementing and administering the Third-Party Release Settlement Amounts that are allocated to holders of Allowed Unsecured Claims will be set forth in the Plan Supplement.

Upon the Effective Date, the Third-Party Release Settlement Amounts that are allocated to holders of Amyris Equity Interests will be administered by the Plan Administrator to fund distributions in accordance with the Plan, after payment of all direct out of pocket administrative, personnel, legal costs and expenses incurred after the Effective Date in making distributions provided for under the Plan. The mechanics for establishing, implementing and administering the Third-Party Release Settlement Amounts that are allocated to holders of Amyris Equity Interests will be set forth in the Plan Supplement.

The distributions to be made under the Plan to holders of Direct Claims on account of the Third-Party Release Settlement shall be the sole source of recovery for any and all such Direct Claims.

If the Third-Party Release is not approved by the Bankruptcy Court, each holder of a Direct Claim may voluntarily elect to receive its portion of the Third-Party Release Settlement Amounts to which it is entitled by electing to grant the Third-Party Release, through the following methods: (x) for (i) holders of Claims who are entitled to submit a ballot to vote on the Plan and vote to accept the Plan, (ii) holders of Claims who are entitled to submit a ballot to vote on the Plan and (a) vote to reject the Plan or (b) abstain from voting on the Plan and, in either case, do not elect to exercise their right to opt out of granting the Third-Party Release, and (y) for holders of Claims and Interests who are deemed to accept or reject the Plan and are provided with a notice of non-voting status providing them with the right to opt out of granting the Third-Party Release and do not elect to exercise such right; *provided*, that, as applicable, the Direct Claims Threshold is satisfied.

The Plan Administrator, Disbursing Agent, or Creditor Trust, as applicable, shall make distributions of the Third-Party Release Settlement Amounts to each holder of a Direct Claim who is bound by the Third-Party Release as follows: (a) with respect to holders of Direct Claims who assert General Unsecured Claims against the Debtors, Pro Rata based upon the aggregate amount of such claims timely asserted against the Debtors (such claims measured as of the Petition Date); (b) with respect to holders of Direct Claims who assert Convertible Notes Claims against the Debtors, Pro Rata based upon the aggregate amount of such Convertible Notes Claims asserted against the Debtors (such claims measured as of the Petition Date on the same basis as such Claims are Allowed for voting purposes), and (c) with respect to holders of Direct Claims who are holders of any Interests, Pro Rata based upon outstanding common stock of Parent (excluding for purposes of such calculation, any outstanding common stock of Parent held by any of the Direct Claims Injunction Parties) (such outstanding common stock of Parent measured as of the Petition Date); *provided, however*, notwithstanding Article VII.D.4 hereof, any and all Third-Party Release Settlement Amounts that are an Unclaimed Distribution shall be paid to the Foris Prepetition Secured Lenders and applied to obligations owing under the Exit First Lien Facility attributable to the Foris Prepetition Secured Loans that are included in the Exit First Lien Facility. With respect to holders of Direct Claims who are holders of any Interests who do not opt out of the Third-Party Release but do not receive a distribution of the Third-Party Release Settlement Amounts because of the provision in the Plan regarding the minimum distribution amount (Art. VII.D.#), such holders will not be bound by the Third-Party Release.

G. *Section 1145 Exemption and DTC Matters.*

The shares of the New Common Stock being issued under the Plan will be issued without registration under the Securities Act or any similar federal, state, or local Law in reliance upon either: (a) section 1145 of the Bankruptcy Code (except with respect to an entity that is an “underwriter” as defined in section 1145(b) of the Bankruptcy Code); or (b) including with respect to an entity that is an “underwriter” as defined in section 1145(b) of the Bankruptcy Code, pursuant to Section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, and/or Regulation S under the Securities Act (or another applicable exemption under the Securities Act).

Securities issued in reliance upon section 1145 of the Bankruptcy Code (a) are exempt from, among other things, the registration requirements of section 5 of the Securities Act and any other applicable Law requiring registration prior to the offering, issuance, distribution, or sale of Securities, to the maximum extent possible, (b) are not “restricted securities” as defined in Rule 144(a)(3) under the Securities Act, and (c) are freely tradable and transferable by any holder thereof that, at the time of transfer, (i) is not an “affiliate” of the Reorganized Debtors as defined in Rule 144(a)(1) under the Securities Act, (ii) has not been such an “affiliate” within ninety days of such transfer, and (iii) is not an entity that is an “underwriter” (as defined in section 2(a)(11) of the Securities Act). The offering, issuance, distribution, and sale of any securities in accordance section 1145 of the Bankruptcy Code shall be made without registration under the Securities Act or any similar federal, state, or local Law in reliance on section 1145(a) of the Bankruptcy Code.

Any shares of the New Common Stock issued in reliance upon the exemption from registration provided by Section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, and/or Regulation S under the Securities Act will be “restricted securities.” Such securities may not be resold, exchanged, assigned, or otherwise transferred except pursuant to an effective registration statement under the Securities Act or an available exemption therefrom and other applicable Law and subject to any restrictions, including any transfer restrictions, in the New Organizational Documents. The offering, issuance, distribution, and sale of such securities shall be made without registration under the Securities Act or any similar federal, state, or local Law in reliance on section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, and/or Regulation S under the Securities Act.

It is not expected that any shares of the New Common Stock will be eligible for any depository services, including with respect to DTC, on or about the Effective Date. Further, it is not intended that the New Common Stock will be listed on a national securities exchange (or a comparable non-U.S. securities exchange) on or about the Effective Date. Reorganized Amyris will be privately held pursuant to the Plan as provided herein.

Subject to compliance with the Securities Act, Exchange Act and other applicable Law, Parent expects that on the Effective Date that the existing Amyris Equity Interests will be canceled and that the New Common Stock will not be listed or quoted on a national securities exchange or over-the-counter market. As part of the Restructuring Transactions, Parent and/or Reorganized Amyris may, in its sole discretion, use reasonable best efforts: (i) to terminate the effectiveness of the Registration Statements and to remove from registration any securities that remain unsold at the termination of the offering covered by the Registration Statements, (ii) to terminate the registration of the existing common stock of Parent under Section 12 of the Exchange Act and suspend its reporting obligations under Sections 13(a) and 15(d) of the Exchange Act (the “SEC Reporting Suspension”) and (iii) to delist Parent’s existing common stock, any other Amyris Equity Interests, and the New Common Stock, if applicable, from the OTC Pink Marketplace and any other securities exchange or over-the-counter market. Subject to obtaining the SEC Reporting Suspension, Parent expects that none of Reorganized Amyris or any of its subsidiaries will be subject to public periodic reporting obligations with the SEC or any other entity following the Restructuring Transactions.

Should the Reorganized Debtors elect, on or after the Effective Date, to reflect any ownership of the New Common Stock issued under the Plan through the facilities of DTC (or another similar depository), the Reorganized Debtors need not provide any further evidence other than the Plan or the Confirmation Order with respect to the treatment of the New Common Stock to be issued under the Plan under applicable securities Laws. DTC (or another similar depository) shall be required to accept and conclusively rely upon the Plan and Confirmation Order in lieu of a legal opinion regarding whether the New Common Stock to be issued under the Plan is exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services. Notwithstanding anything to the contrary in the Plan, no Entity (including, for the avoidance of doubt, DTC) may require a legal opinion regarding the validity of any transaction contemplated by the Plan, including, for the avoidance of doubt, whether the New Common Stock to be issued under the Plan is exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services.

Notwithstanding any policies, practices, or procedures of DTC, DTC shall cooperate with and take all actions reasonably requested by the Disbursing Agent or the Convertible Notes Trustee to facilitate distributions to Holders of Convertible Notes Claims without requiring that such distributions be characterized as repayments of principal or interest. Neither the Disbursing Agent nor the Convertible Notes Trustee shall be required to provide indemnification or other security to DTC in connection with any distributions to Holders of Convertible Notes Claims through the facilities of DTC.

On and after the Effective Date, the Reorganized Debtors, and their respective officers, directors, members, or managers (or other relevant governing body), are authorized to and may issue, execute, deliver, file, or record such contracts, Securities, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and conditions of the Plan, the Exit First Lien Facility entered into, and the Securities issued pursuant to the Plan in the name of and on behalf of the Reorganized Debtors, without the need for any approvals, authorization, or consents except for those expressly required pursuant to the Plan or the Plan Supplement.

P. *Management Incentive Plan.*

A management incentive plan may be established and grants may be made from time to time to employees, officers, and directors of the Reorganized Debtors at the discretion of the New Board effective as of the Effective Date. The terms and conditions (including, without limitation, with respect to participants, allocation, timing, and the form and structure of the equity-link awards) shall be determined at the discretion of the New Board after the Effective Date.

Q. *Preservation of Causes of Action*

In accordance with section 1123(b) of the Bankruptcy Code, each Reorganized Debtor or the Creditor Trust, as applicable, shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Causes of Action of the Debtors and their Estates, whether arising before or after the Petition Date, including any actions specifically enumerated in the Schedule of Retained Causes of Action, and the Reorganized Debtors' rights to commence, prosecute, or settle such retained Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date or any other provision of the Plan to the contrary, other than the Released Claims.

The Reorganized Debtors or the Creditor Trust, as applicable, may pursue such retained Causes of Action, as appropriate. No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any retained Cause of Action against it as any indication that the Debtors, the Reorganized Debtors, or the Creditor Trust, as applicable, will not pursue any and all available retained Causes of Action against it. The Debtors, the Reorganized Debtors, and the Creditor Trust expressly reserve all rights to prosecute any and all retained Causes of Action against any Entity (other than the Causes of Action and Direct Claims released under the Plan and subject to the exculpations contained in the Plan). Unless any Causes of Action or Direct Claims against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or a Final Order (and for the avoidance of doubt, any Causes of Action on the Schedule of Retained Causes of Action shall not be expressly relinquished, exculpated, released, compromised, or settled in the Plan), the Reorganized Debtors or the Creditor Trust, as applicable, expressly reserve all retained Causes of Action for later adjudication and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such retained Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

The Reorganized Debtors and the Creditor Trust, as applicable, reserve and shall retain such retained Causes of Action notwithstanding the rejection or repudiation of any Executory Contract or Unexpired Lease during the Chapter 11 Cases or pursuant to the Plan. In accordance with section 1123(b)(3) of the Bankruptcy Code, any retained Causes of Action against any Entity shall vest in the Reorganized Debtors or the Creditor Trust, as applicable. The applicable Reorganized Debtors or the Creditor Trust, through their authorized agents or representatives, shall retain and may exclusively enforce any and all such retained Causes of Action. The Reorganized Debtors or the Creditor Trust, as applicable, shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such retained Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court except as otherwise released in this Plan.

R. *Sale Option*

At the election of the DIP Lenders and the Foris Prepetition Secured Lenders, which may be made in their sole discretion at any time prior to the Confirmation Date, the Debtors shall close a sale of the Other Assets pursuant to the Other Assets Bidding Procedures with the consideration for sale of the Other Assets to be distributed, as part of the Net Proceeds, as provided for in the Plan. The sale of the Other Assets will be conducted in accordance with the Other Assets Bidding Procedures, with the DIP Lender and the Foris Prepetition Secured Lenders providing an Other Assets Stalking Horse Credit Bid.

S. *Convertible Notes Trustee Fees and Expenses.*

On the Effective Date, subject to the occurrence of the Ad Hoc Group Acceptance Event, without any further notice to, or action, order, or approval of the Bankruptcy Court, the Debtors or Reorganized Debtors, as applicable, shall distribute Cash to the Convertible Notes Trustee in an amount equal to the Convertible Notes Trustee Fees and Expenses, which shall include an estimate of Convertible Notes Trustee Fees and Expenses to be incurred after the Effective Date related to distributions to be made pursuant to the Plan, without a reduction to recoveries to Holders of the Convertible Notes Claims; *provided* that the amount of Convertible Notes Trustee Fees and Expenses payable by the Debtors or Reorganized Debtors shall not, in the aggregate amount, exceed \$250,000; *provided*, further, that the limitations on the Debtors' and Reorganized Debtors' obligations to pay Convertible Notes Trustee Fees and Expenses, including the occurrence of the Ad Hoc Group Acceptance Event and the dollar limitation in the foregoing proviso, shall in no way impair the Convertible Notes Trustee's rights to compensation and indemnification as against Plan Distributions distributable to the Holders of the Convertible Notes Claims, including the Convertible Notes Trustee's right to maintain, enforce, and exercise its charging liens against such Plan Distributions.

ARTICLE V. CREDITOR TRUST

A. Creation and Governance of the Creditor Trust.

Unless otherwise determined pursuant to the terms of the Plan, on the Effective Date the Debtors shall transfer, or cause to be transferred, to the Creditor Trust all of their rights, title, and interest in the Creditor Trust Assets, and the Creditor Trustee shall execute the Creditor Trust Agreement and take all steps necessary to establish the Creditor Trust in accordance with the Plan and the Creditor Trust Agreement. Such transfers shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use, or other similar tax. The Creditor Trust shall be governed by the Creditor Trust Agreement and administered by the Creditor Trustee, under the direction of the Creditor Trust Oversight Committee.

To the extent necessary to the performance of the Creditor Trustee's duties and responsibilities, and subject to the Creditor Trust Agreement, the Debtors or Reorganized Debtors, as applicable, shall share with the Creditor Trustee communications or documents that are subject to the attorney-client privilege, work product protection, or other applicable privilege; the sharing of such information shall not operate as a waiver of any applicable privileges. The parties shall agree on how to document the sharing of the attorney-client privilege such that the privilege is preserved, and in the absence of an agreement the Bankruptcy Court shall decide as set forth in the Confirmation Order or any other order(s).

B. Purpose of the Creditor Trust.

The Creditor Trust shall be established for the purpose of liquidating the Creditor Trust Assets, and distributing the proceeds of the Creditor Trust Assets to the Creditor Trust Beneficiaries in accordance with the terms of the Plan and the Creditor Trust Agreement. The Creditor Trust is intended to qualify as a liquidating trust pursuant to Treasury Regulations section 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary and consistent with, the purpose of the Creditor Trust.

C. Creditor Trust Agreement and Funding the Creditor Trust.

The Creditor Trust Agreement generally will provide for, among other things: (a) the payment of the Creditor Trust Expenses; (b) the retention of counsel, accountants, financial advisors, or other

professionals and the payment of their reasonable compensation; (c) the investment of Cash by the Creditor Trustee within certain limitations, including those specified in the Plan and Creditor Trust Agreement; and (d) the orderly liquidation of the Creditor Trust Assets.

The Creditor Trust Expenses shall be paid from the Creditor Trust Assets in accordance with the Plan and the Creditor Trust Agreement. The Creditor Trustee, on behalf of the Creditor Trust, may employ, without further order of the Bankruptcy Court, professionals to assist in carrying out its duties hereunder and may compensate and reimburse the reasonable expenses of these professionals without further order of the Bankruptcy Court from the Creditor Trust Assets in accordance with the Plan and the Creditor Trust Agreement.

D. *Valuation of Assets.*

Except as otherwise provided in the Creditor Trust Agreement, as soon as reasonably practicable following the establishment of the Creditor Trust, the Creditor Trustee shall determine the value of the assets transferred to the Creditor Trust, based on the good faith determination of the Creditor Trustee, and the Creditor Trustee shall apprise, in writing, the Creditor Trust Beneficiaries of such valuation, from time to time as relevant for tax reporting purposes. The valuation shall be used consistently by all parties (including, without limitation, the Debtors, the Creditor Trust, the Creditor Trustee, and the Creditor Trust Beneficiaries) for all applicable U.S. federal, state, and local income tax purposes.

In connection with the preparation of the valuation contemplated by the Plan and the Creditor Trust Agreement, the Creditor Trust shall be entitled to retain such professionals and advisors as the Creditor Trustee shall determine to be appropriate or necessary, and the Creditor Trustee shall take such other actions in connection therewith as it determines to be appropriate or necessary. The Creditor Trust shall bear all of the reasonable costs and expenses incurred in connection with determining such value, including the fees and expenses of any professionals retained in connection therewith.

E. *Creditor Trustee.*

The Creditor Trustee shall be appointed on the Effective Date. The Creditor Trustee shall be a professional person or a financial institution with experience administering other creditor trusts, and shall be selected by the Creditors' Committee and the Ad Hoc Group.

F. *Creditor Trust Interests.*

Creditor Trust Interests shall be passive and shall not have voting, consent, or other shareholder-like control rights with respect to the Creditor Trust. The Creditor Trust Interests shall be uncertificated and shall be reflected only on the records of the Creditor Trustee. The Creditor Trust Interests shall be non-transferable other than if transferred by will, intestate succession, or otherwise by operation of Law.

G. *Cooperation of the Reorganized Debtors.*

Subject to Article V.A., the Creditor Trust Agreement shall provide for the Reorganized Debtors' records and information relating to the Creditor Trust Assets or copies thereof to be, to the extent reasonably practicable, transferred to the Creditor Trust, including electronic records or documents, to the extent (a) necessary to liquidate the Creditor Trust Assets and (b) consistent with applicable Law, but shall further provide that any records or information so shared shall continue to be protected by the attorney-client, work product, or common interest privileges. The transfer of such records and documents to the Creditor Trust shall not waive any applicable privileges (or similar protections) to which such documents, records, information, and work product may have been subject before such transfer to the Creditor Trust.

Except as otherwise provided in the Plan, the Confirmation Order, or the Creditor Trust Agreement, and subject to Article V.A, the Reorganized Debtors, upon reasonable notice, shall reasonably cooperate with the Creditor Trustee in the administration of the Creditor Trust, including by providing reasonable access to pertinent documents, including books and records, to the extent the Reorganized Debtors have such information and/or documents, to the Creditor Trustee sufficient to enable the Creditor Trustee to perform its duties hereunder. The Reorganized Debtors shall reasonably cooperate with the Creditor Trustee in the administration of the Creditor Trust, including by providing reasonable access to documents and current officers and directors with respect to contesting, settling, compromising, reconciling, and objecting to General Unsecured Claims (at the expense of the Creditor Trust as set forth in the Creditor Trust Agreement). The Reorganized Debtors shall make reasonable best efforts to retain and transfer all documents relating to the Creditor Trust Assets to the Creditor Trust; *provided* that, in each case, the Creditor Trust agrees upon request to reimburse reasonable and documented out-of-pocket expenses for preservation of documents, copying, or similar expenses. The collection, review, and preservation of documents for any investigation or litigation by the Creditor Trustee shall be at the expense of the Creditor Trust.

H. *United States Federal Income Tax Treatment of the Creditor Trust.*

For all United States federal income tax purposes, all parties shall treat the transfer of the Creditor Trust Assets to the Creditor Trust for the benefit of the Creditor Trust Beneficiaries, whether their Claims are Allowed on or after the Effective Date, including any amounts or other assets subsequently transferred to the Creditor Trust (but only at such time as actually transferred) as (a) a transfer of the Creditor Trust Assets (subject to any obligations relating to such Creditor Trust Assets) to the Creditor Trust Beneficiaries and, to the extent the Creditor Trust Assets are allocable to, or retained on account of, any Disputed Claims (the “Trust Claims Reserve”), followed by (b) the transfer by the Creditor Trust Beneficiaries to the Creditor Trust of the Creditor Trust Assets (other than the Trust Claims Reserve) in exchange for the Creditor Trust Interests. Accordingly, the Creditor Trust Beneficiaries shall be treated for U.S. federal income tax purposes as the grantors and owners of their respective share of the Creditor Trust Assets (other than Trust Claims Reserve). The foregoing treatment shall also apply, to the extent permitted by applicable Law, for applicable U.S. state and local income tax purposes.

Subject to contrary definitive guidance from the IRS (as determined by the Creditor Trustee in its reasonable discretion) (including the receipt by the Creditor Trustee of a private letter ruling if the Creditor Trustee so requests, or the receipt of an adverse determination by the IRS upon audit if not contested by the Creditor Trustee) or a court of competent jurisdiction, the Creditor Trustee may (a) timely elect to treat the Trust Claims Reserve as a “disputed ownership fund” governed by Treasury Regulation section 1.468B-9 and (b) to the extent permitted by applicable Law, report consistently with the foregoing for applicable U.S. state and local income tax purposes. All parties (including, without limitation, the Debtors, the Creditor Trust, the Creditor Trustee, and the Creditor Trust Beneficiaries) shall report for U.S. federal and applicable U.S. state and local income tax purposes consistently with the foregoing.

I. *Withholding*

The Creditor Trustee may deduct and withhold and pay to the appropriate taxing authority all amounts required to be deducted or withheld pursuant to the Tax Code or any provision of any state, local, or non-U.S. tax Law with respect to any Creditor Trust Beneficiaries, including with respect to any payment or distribution to the Creditor Trust Beneficiaries, any amounts received by, collections of, or earnings of the Creditor Trust and any proceeds from the Creditor Trust Assets. Notwithstanding the above, each Holder of an Allowed Claim that is to receive a distribution under the Plan shall have the sole and exclusive responsibility for the satisfaction and payment of any taxes imposed on such Holder by any governmental authority, including income, withholding and other tax obligations, on account of such distribution or with respect to its ownership of the Creditor Trust Interests. All such amounts deducted or withheld and timely

paid to the appropriate taxing authority shall be treated as amounts distributed to such Creditor Trust Beneficiaries for all purposes of this Agreement, to the extent permitted by applicable Law. The Creditor Trustee shall be authorized to collect such tax information from the Creditor Trust Beneficiaries (including social security numbers or other tax identification numbers) as it, in its sole discretion, deems necessary to effectuate the Plan, the Confirmation Order, and the Creditor Trust Agreement and to determine whether any deduction or withholding applies with respect to a payment to such Creditor Trust Beneficiary and the amount of such deduction or withholding.

As a condition to receiving, or being entitled to receive, distributions under the Plan or from the Creditor Trust, all Creditor Trust Beneficiaries may be required to identify themselves to the Creditor Trustee and provide tax information and the specifics of their holdings, to the extent requested by the Creditor Trustee, including an IRS Form W-9 or, in the case of Creditor Trust Beneficiaries that are not U.S. persons for U.S. federal income tax purposes, certification of foreign status on an applicable IRS Form W-8, including all applicable supporting documents. This identification requirement may, in certain cases, extend to Holders who hold their securities in street name. The Creditor Trustee may refuse to make a distribution to any Creditor Trust Beneficiary that fails to furnish such information in a timely fashion, until (at a minimum) such information is delivered; provided, however, that upon the delivery of such information by a Creditor Trust Beneficiary, the Creditor Trustee shall make such distribution to which the Creditor Trust Beneficiary is entitled, without interest; provided, further, that if the Creditor Trustee fails to withhold in respect of amounts received or distributable with respect to any such Holder and the Creditor Trustee is later held liable for the amount of such withholding, such Holder shall reimburse the Creditor Trustee for such liability. If a Creditor Trust Beneficiary fails to comply with such a request for tax information within ninety days, the Creditor Trustee may file a document with the Bankruptcy Court that will provide twenty one days' notice before such distribution may be deemed an Unclaimed Distribution, and shall not be entitled to any subsequent distributions. In the event that the Creditor Trustee elects to make distributions through an intermediary (such as DTC), the party who would be the withholding agent with respect to distributions to the Creditor Trust Beneficiary under U.S. federal income tax principles shall be responsible for withholding tax compliance with respect to any such distribution, based on instructions on the character of the income from the Creditor Trustee.

J. *Dissolution of the Creditor Trust.*

Except as otherwise provided in the Creditor Trust Agreement, the Creditor Trustee and the Creditor Trust shall be discharged or dissolved, as the case may be, at such time as (a) the Creditor Trustee determines that all Creditor Trust Assets have been liquidated or otherwise disposed of, or the liquidation or other disposition of any remaining Creditor Trust Assets is not likely to yield sufficient additional proceeds to justify further actions with respect to the Creditor Trust Assets and (b) all distributions of Creditor Trust Assets required to be made by the Creditor Trustee have been made, but in no event shall the Creditor Trust be dissolved later than five years from the Effective Date unless the Bankruptcy Court, upon motion made within the six-month period before such fifth anniversary (and, in the event of further extension, within the six-month period before the end of the preceding extension), determines that a fixed-period extension (not to exceed three years, together with any prior extensions, without a favorable letter ruling from the IRS or based on advice or an opinion of counsel satisfactory to Creditor Trustee that any further extension would not adversely affect the status of the Creditor Trust as a liquidating trust for U.S. federal income tax purposes) is necessary to facilitate or complete the recovery on, and liquidation of, the Creditor Trust Assets.

Upon dissolution of the Creditor Trust, any remaining Creditor Trust Assets shall be distributed to all Creditor Trust Beneficiaries in accordance with the Plan and the Creditor Trust Agreement as appropriate; provided, however, that if the Creditor Trustee reasonably determines that such remaining Creditor Trust Assets are insufficient to render a further distribution practicable, the Creditor Trustee may (i) reserve any amount necessary to dissolve the Creditor Trust, (ii) donate any balance to a charitable organization (A)

described in section 501(c)(3) of the Tax Code, (B) exempt from U.S. federal income tax under section 501(a) of the Tax Code, (C) not a “private foundation” as defined in section 509(a) of the Tax Code, and (D) that is unrelated to the Debtors, the Creditor Trust, and any insider of the Creditor Trustee, and (iii) dissolve the Creditor Trust.

K. *Tax Reporting.*

The Creditor Trust has been structured to qualify as a “liquidating trust” under section 301.7701-4 of the Treasury Regulations (other than with respect to the Trust Claims Reserve), with the Creditor Trust Beneficiaries treated as the grantors and owners of the Creditor Trust. The “taxable year” of the Creditor Trust shall be the “calendar year” as such terms are defined in section 441 of the Tax Code. The Creditor Trustee shall file tax returns for the Creditor Trust treating the Creditor Trust as a grantor trust pursuant to Treasury Regulations section 1.671-4(a) to the extent permitted by applicable Law, subject to the treatment of the Trust Claims Reserve. The Creditor Trustee shall also annually send or make available to each Creditor Trust Beneficiary of record, in accordance with applicable Law, a separate statement setting forth such holder’s share of items of income, gain, loss, deduction or credit (including the receipts and expenditures of the Creditor Trust) as relevant for U.S. federal income tax purposes and will instruct all such Creditor Trust Beneficiaries to use such information in preparing their U.S. federal income tax returns (including, for the avoidance of doubt, with respect to withholding tax) or to forward the appropriate information to such Creditor Trust Beneficiary’s underlying beneficial holders with instructions to utilize such information in preparing their U.S. federal income tax returns; provided that if the Creditor Trustee elects to make distributions through an intermediary (such as DTC), it shall provide such statement to such intermediaries for them to provide to such Creditor Trust Beneficiaries.

The Creditor Trustee also shall file (or cause to be filed) any other statements, returns, or disclosures relating to the Creditor Trust that are required by any Governmental Unit.

The Creditor Trustee shall be responsible for payment, out of the Creditor Trust Assets, of any taxes imposed on the Creditor Trust or the Creditor Trust Assets, including the Trust Claims Reserve. In the event, and to the extent, any Cash retained on account of a Disputed Claim in the Trust Claims Reserve is insufficient to pay the portion of any such taxes attributable to the taxable income arising from the assets allocable to, or retained on account of, such Disputed Claims, the Creditor Trustee may, in its discretion, (a) sell any non-Cash assets relating to such Claim (including any assets distributable as a result of disallowance of such Claim) to pay such taxes or (b) reimburse the Creditor Trust for the payment of such taxes from any subsequent Cash amounts allocable to, or retained on account of, such taxes from any subsequent Cash amounts allocable to, or retained on account of, such Disputed Claim (including any Cash distributable as a result of disallowance of such Claims).

The Creditor Trustee may request an expedited determination of taxes of the Creditor Trust, including the Trust Claims Reserve, under section 505(b) of the Bankruptcy Code, for all tax returns filed for, or on behalf of, the Creditor Trust for all taxable periods through the dissolution of the Creditor Trust.

L. *Transferred Privileges.*

Subject to Article V.A in all events, in respect of privileges (if any) transferred to the Creditor Trust under the Creditor Trust Agreement (the “Transferred Privileges”), the Creditor Trust Agreement shall contain terms substantially reflecting the following: subject to Article V.A, the Creditor Trust may not waive any Transferred Privileges in respect of records, documents, or information related to the Creditor Trust Assets without first providing to the Reorganized Debtors reasonable advance written notice and an opportunity to protect their respective rights with respect to any subsequent disclosure and the terms of any protective order, confidentiality stipulation, or similar agreement relating to such disclosure. The

Reorganized Debtors may not make disclosure in a manner that could effectuate a waiver of any Transferred Privileges in respect of records, documents, or information related to the Creditor Trust Assets without first providing to the Creditor Trustee reasonable advance written notice (in no event less than five Business Days) and an opportunity to protect the Creditor Trust's rights with respect to any subsequent disclosure and the terms of any protective order, confidentiality stipulation, or similar agreement relating to such disclosure. If the Creditor Trustee or the Reorganized Debtors object to an action proposed to be taken by the other with regard to records, documents, or information related to the Creditor Trust Assets that are covered by the Transferred Privilege (or a disclosure that would result in a waiver), the parties shall be permitted to raise the issue promptly with the Bankruptcy Court. The party providing advance written notice may take its proposed action unless the Bankruptcy Court determines that (a) such action would cause material adverse harm to the other party, or (b) the harm to the objecting party would substantially outweigh the benefit to the party seeking to take the proposed action. The objecting party shall bear the burden of proof. Each of the parties shall bear its own costs and expenses, including attorneys' fees, incurred in connection with such dispute.

ARTICLE VI. TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

A. *Assumption and Rejection of Executory Contracts and Unexpired Leases.*

On the Effective Date, except as otherwise provided herein, all Executory Contracts or Unexpired Leases not otherwise assumed or rejected will be deemed rejected by the applicable Reorganized Debtor in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, other than those that: (a) are identified on the Schedule of Assumed Executory Contracts and Unexpired Leases; (b) have previously expired or terminated pursuant to their own terms or agreement of the parties thereto; (c) have been previously assumed or rejected by the Debtors pursuant to a Final Order; or (d) are, as of the Effective Date, the subject of (i) a motion to assume that is pending or (ii) an order of the Bankruptcy Court that is not yet a Final Order.

Entry of the Confirmation Order shall constitute an order of the Bankruptcy Court approving the assumptions, assumptions and assignments, or rejections of the Executory Contracts or Unexpired Leases as set forth in the Plan, or the Schedule of Assumed Executory Contracts and Unexpired Leases or the Schedule of Proposed Cure Amounts, pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Except as otherwise specifically set forth herein, assumptions or rejections of Executory Contracts and Unexpired Leases pursuant to the Plan are effective as of the Effective Date. Notwithstanding anything herein to the contrary, the effective date of the rejection of any such Unexpired Lease shall be the later of (i) the Effective Date and (ii) the date upon which the Debtors notify the landlord in writing (e-mail being sufficient) that they have surrendered the premises to the landlord and returned the keys, key codes, or security codes, as applicable. Each Executory Contract or Unexpired Lease assumed pursuant to the Plan or by Bankruptcy Court order but not assigned to a third party before the Effective Date shall revest in and be fully enforceable by the applicable contracting Reorganized Debtor in accordance with its terms, including in accordance with any amendments executed by the Debtors and the counterparties to the applicable Executory Contract or Unexpired Lease during these Chapter 11 Cases and effective upon assumption by the Debtors, except as such terms may have been modified by the provisions of the Plan or any order of the Bankruptcy Court authorizing and providing for its assumption. Any motions to assume Executory Contracts or Unexpired Leases pending on the Confirmation Date shall be subject to approval by a Final Order on or after the Confirmation Date in accordance with any applicable terms herein, unless otherwise settled by the applicable Debtors and counterparties.

Except as otherwise provided herein or agreed to by the Debtors and the applicable counterparty, each assumed Executory Contract or Unexpired Lease shall include all modifications, amendments,

supplements, restatements, or other agreements related thereto, and all rights related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests. Modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease or the validity, priority, or amount of any Claims that may arise in connection therewith.

To the maximum extent permitted by Law, the transactions contemplated by the Plan shall not constitute a “change of control” or “assignment” (or terms with similar effect) under any Executory Contract or Unexpired Lease assumed or assumed and assigned pursuant to the Plan, or any other transaction, event, or matter that would (a) result in a violation, breach or default under such Executory Contract or Unexpired Lease, (b) increase, accelerate or otherwise alter any obligations, rights or liabilities of the Debtors or the Reorganized Debtors under such Executory Contract or Unexpired Lease, or (c) result in the creation or imposition of a Lien upon any property or asset of the Debtors or the Reorganized Debtors pursuant to the applicable Executory Contract or Unexpired Lease. Any consent or advance notice required under such Executory Contract or Unexpired Lease shall be deemed satisfied by Confirmation.

Notwithstanding anything to the contrary in the Plan, after the Confirmation Date, an Executory Contract or Unexpired Lease on the Schedule of Assumed Contracts and Unexpired Leases as of the Confirmation Date may not be assumed by the applicable Debtor(s) unless the applicable lessor or contract counterparty has (x) consented to such assumption, (y) objected to the rejection of such Executory Contract or Unexpired Lease on the grounds that such Executory Contract or Unexpired Lease should not be rejected and should instead be assumed (and such objection remains outstanding), or (z), in the case of Unexpired Leases, consented to an extension of the time period in which the applicable Debtor(s) must assume or reject such Unexpired Lease pursuant to section 365(d)(4) of the Bankruptcy Code (as extended with the applicable lessor’s consent, the “Deferred Deadline”), in which case for purposes of clause (z) the applicable Debtor(s) shall have until the Deferred Deadline to assume such Unexpired Lease, subject to the applicable lessor’s right to object to such assumption, or such Unexpired Lease shall be deemed rejected. For any Executory Contract or Unexpired Lease assumed pursuant to this paragraph, all Cure amounts shall be paid on the Effective Date or as soon as reasonably practicable thereafter, unless subject to a dispute with respect to Cure cost, such dispute shall be addressed in accordance with Article VI.D.

To the extent any provision of the Bankruptcy Code or the Bankruptcy Rules require the Debtors to assume or reject an Executory Contract or Unexpired Lease by a deadline, including section 365(d) of the Bankruptcy Code, such requirement shall be satisfied if the Debtors make an election, either through the Filing of a motion or identification in the Plan Supplement, to assume or reject such Executory Contract or Unexpired Lease prior to the applicable deadline, regardless of whether or not the Bankruptcy Court has actually ruled on such proposed assumption or rejection prior to such deadline.

B. *Indemnification Obligations.*

All indemnification provisions, consistent with applicable Law, in place as of the Effective Date (whether in the bylaws, certificates of incorporation or formation, limited liability company agreements, other organizational documents, board resolutions, indemnification agreements, employment contracts, or otherwise) for current directors, officers, managers, employees, attorneys, accountants, investment bankers, and other professionals of the Debtors, as applicable shall be Reinstated and remain intact, irrevocable, and shall survive the effectiveness of the Plan on the same terms that existed prior to the Effective Date; *provided* that nothing herein shall expand any of the Debtors’ indemnification obligations in place as of the Petition Date.

Upon the Effective Date, the Debtors' existing D&O Liability Insurance Policy expires and the Endorsement #94: "Run off Endorsement" will be in place and shall not be altered, amended or modified by the Plan. For the avoidance of doubt, the Reorganized Debtors do not assume any indemnification obligation for any insured under the Debtors' D&O Liability Insurance Policies, including, but not limited to, any Excluded Party who is an insured under the Debtors' D&O Liability Insurance Policies, and no insured, including any Excluded Party, shall have any recourse to the Reorganized Debtors with respect to any such indemnification obligation under such policies.

C. *Claims Based on Rejection of Executory Contracts or Unexpired Leases.*

Entry of the Confirmation Order shall constitute a Bankruptcy Court Order approving the rejections, if any, of any Executory Contracts or Unexpired Leases not on the Schedule of Assumed Executory Contracts and Unexpired Leases. Any objection to the rejection of an Executory Contract or Unexpired Lease under the Plan must be Filed with the Bankruptcy Court on or before fourteen days after the service of notice of rejection on the affected counterparty. Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, pursuant to the Plan or the Confirmation Order, if any, must be Filed with the Bankruptcy Court within thirty days after the later of (a) the date of entry of an order of the Bankruptcy Court (including the Confirmation Order) approving such rejection and (b) the effective date of such rejection. **Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed with the Bankruptcy Court within such time will be automatically disallowed, forever barred from assertion, and shall not be enforceable against the Debtors or the Reorganized Debtors, the Estates, the Creditor Trust, or their property without the need for any objection by the Reorganized Debtors or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, notwithstanding anything in the Proof of Claim to the contrary; provided, however, that this nothing in this Article shall prejudice any rights under 11 U.S.C. § 365(n), if any, held by a counterparty to a rejected contract.** For the avoidance of doubt, unless otherwise agreed, any property remaining on the premises subject to a rejected Unexpired Lease shall be deemed abandoned by the Debtors or the Reorganized Debtors, as applicable, as of the effective date of the rejection, and the counterparty to such Unexpired Lease shall be authorized to (i) use or dispose of any property left on the premises in its sole and absolute discretion without notice or liability to the Debtors or the Reorganized Debtors, as applicable, or any third party, and (ii) shall be authorized to assert a Claim for any and all damages arising from the abandonment of such property by filing a Claim in accordance with this Article VI.C.

D. *Cure of Defaults for Assumed Executory Contracts and Unexpired Leases.*

On the Effective Date or as soon as reasonably practicable thereafter, the Debtors or the Reorganized Debtors, as applicable, shall, in accordance with the Schedule of Proposed Cure Amounts, pay all Cure costs relating to Executory Contracts and Unexpired Leases that are being assumed under the Plan. Unless otherwise agreed upon in writing by the parties to the applicable Executory Contract or Unexpired Lease, all objections to any Cures set forth in the Schedule of Proposed Cure Amounts must be Filed with the Bankruptcy Court on or before 14 days after the service of the Schedule of Proposed Cure Amounts on affected counterparties. Any such request that is not timely Filed shall be disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable against any Debtor or Reorganized Debtor, without the need for any objection by the Debtors or the Reorganized Debtors or any other party in interest or any further notice to or action, order, or approval of the Bankruptcy Court. Any Cure costs shall be deemed fully satisfied, released, and discharged upon payment by the Debtors or the Reorganized Debtors of the applicable Cure costs; *provided, however*, that nothing herein shall prevent the Reorganized Debtors from paying any Cure costs despite the failure of the relevant counterparty to file such request for payment of such Cure costs. The Reorganized Debtors also may settle any disputes related to Cure costs without any

further notice to or action, order, or approval of the Bankruptcy Court. In addition, any objection to the assumption of an Executory Contract or Unexpired Lease under the Plan must be Filed with the Bankruptcy Court on or before 14 days after the service of notice of assumption on affected counterparties. Any such objection will be scheduled to be heard by the Bankruptcy Court at the Confirmation Hearing or at the Debtors' or the Reorganized Debtors', as applicable, first scheduled omnibus hearing for which such objection is timely Filed, unless otherwise agreed to by the parties or ordered by the Bankruptcy Court. Any counterparty to an Executory Contract or Unexpired Lease that fails to timely object to the proposed assumption or assumption and assignment, as applicable, of any Executory Contract or Unexpired Lease will be deemed to have consented to such assumption or assumption and assignment.

If there is any dispute regarding any Cure costs, the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" within the meaning of section 365 of the Bankruptcy Code, or any other matter pertaining to assumption or assumption and assignment, then payment of any Cure costs shall occur as soon as reasonably practicable after (a) entry of a Final Order resolving such dispute, approving such assumption (and, if applicable, assignment) or (b) as may be agreed upon by the Debtors or the Reorganized Debtors, as applicable, and the counterparty to the Executory Contract or Unexpired Lease.

If the Bankruptcy Court determines that the Allowed Cure cost with respect to any Executory Contract or Unexpired Lease is greater than the amount set forth in the Schedule of Proposed Cure Amounts (such greater amount, the "Court-Ordered Cure Cost"), the Debtors shall have the right to (a) pay the Court-Ordered Cure Cost as soon as reasonably practicable thereafter and assume such Executory Contract or Unexpired Lease in accordance with the terms herein or (b) remove such Executory Contract or Unexpired Lease from the Schedule of Assumed Executory Contracts and Unexpired Leases, in which case such Executory Contract or Unexpired Lease will be deemed rejected on the date of entry of the Court-Ordered Cure Cost and in the case of an Unexpired Lease, the Debtors shall, pursuant to section 365(d)(4) of the Bankruptcy Code, immediately surrender the related premises to the lessor unless otherwise agreed with the applicable lessor, subject to the applicable counterparty's right to object to such rejection; *provided* that, after the deadline to assume an Executory Contract or Unexpired Lease set forth in section 365(d) of the Bankruptcy Code, an Executory Contract or Unexpired Lease may only be removed from the Schedule of Assumed Executory Contracts and Unexpired Leases if (i) the applicable counterparty consents to such rejection, (ii) the applicable counterparty objected to the assumption or Cure of such Executory Contract or Unexpired Lease on the grounds that such Executory Contract or Unexpired Lease should not be assumed and should instead be rejected, including alleging an incurable default (and such objection remains outstanding), or (iii) the Court-Ordered Cure Cost is greater than the amount set forth in the Schedule of Proposed Cure Amounts, as set forth at the beginning of this paragraph. Notwithstanding anything to the contrary herein, the Reorganized Debtors and the applicable counterparty shall be entitled to the full benefits of the Executory Contract or Unexpired Lease (including without limitation, any license thereunder) pending the resolution of any Cure dispute.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Cures, Claims, or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or any bankruptcy-related defaults, arising at any time prior to the effective date of assumption, upon the payment of all applicable Cures. **Any and all Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed in the Chapter 11 Cases, including pursuant to the Confirmation Order, shall be deemed disallowed and expunged as of the later of (i) the date of entry of an order of the Bankruptcy Court (including the Confirmation Order) approving such assumption, (ii) the effective date of such assumption, or (iii) the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Bankruptcy Court; *provided, however*, that nothing herein shall affect the allowance of Claims or any Cure agreed to by the Debtors in any written**

agreement amending or modifying any Executory Contract or Unexpired Lease prior to assumption pursuant to the Plan or otherwise.

E. *Preexisting Obligations to the Debtors under Executory Contracts and Unexpired Leases.*

Rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall not constitute a termination of preexisting obligations owed to the Debtors or the Reorganized Debtors, as applicable, under such Executory Contracts or Unexpired Leases.

F. *Insurance Policies.*

Each of the Debtors' insurance policies and any agreements, documents, or instruments relating thereto, are treated as Executory Contracts under the Plan. Unless otherwise provided in the Plan, on the Effective Date, (a) the Debtors shall be deemed to have assumed all insurance policies and any agreements, documents, and instruments relating to coverage of all insured Claims and (b) such insurance policies and any agreements, documents, or instruments relating thereto shall revest in the Reorganized Debtors.

G. *Reservation of Rights.*

Nothing contained in the Plan or the Plan Supplement shall constitute an admission by the Debtors or any other party that any contract or lease is in fact an Executory Contract or Unexpired Lease or that any Reorganized Debtor has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors or the Reorganized Debtors, as applicable, shall have forty-five days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease.

H. *Nonoccurrence of Effective Date.*

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code.

**ARTICLE VII.
PROVISIONS GOVERNING DISTRIBUTIONS**

A. *Distributions on Account of Claims or Interests Allowed as of the Effective Date.*

Unless otherwise provided in the Plan, on or as soon as reasonably practicable after the Effective Date (or, if a Claim is not an Allowed Claim on the Effective Date, on the date that such Claim becomes an Allowed Claim, or as soon as reasonably practicable thereafter), each Holder of an Allowed Claim shall receive the full amount of the distributions that the Plan provides for Allowed Claims in the applicable Class. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date. If and to the extent that there are Disputed Claims, distributions on account of any such Disputed Claims shall be made pursuant to the provisions set forth in Article VIII hereof. Except as otherwise provided in the Plan, Holders of Claims shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date.

Notwithstanding the foregoing, (a) Allowed Administrative Claims with respect to liabilities incurred by the Debtors in the ordinary course of business during the Chapter 11 Cases or assumed by the

Debtors prior to the Effective Date shall be paid or performed in the ordinary course of business in accordance with the terms and conditions of any controlling agreements, course of dealing, course of business, or industry practice and (b) Allowed Priority Tax Claims shall be paid in accordance with Article II.D of the Plan. To the extent any Allowed Priority Tax Claim is not due and owing on the Effective Date, such Claim shall be paid in full in Cash in accordance with the terms of any agreement between the Debtors and the Holder of such Claim or as may be due and payable under applicable non-bankruptcy Law or in the ordinary course of business. Thereafter, a Distribution Date shall occur no less frequently than once in every 180-day period, as necessary, in the discretion of the Reorganized Debtors. The timing of distribution(s) to Holders of Allowed General Unsecured Claims shall be determined by the Plan Administrator in its sole discretion.

B. Disbursing Agent.

Except as otherwise set forth in this Article VII.B or the Plan Supplement, all distributions under the Plan shall be made by the applicable Disbursing Agent. The Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties.

The Disbursing Agent shall, among other things, implement, administer, and make distributions on account of Allowed Claims, including:

- Making distributions as provided for in the Plan on account of unclassified Allowed Claims and on account of Allowed Claims in Classes 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13 and 14 to the extent applicable.
- Making distributions of the Estate Claims Settlement Amount to Holders of Allowed Claims in Class 7 and Class 8;
- Making distributions of the Third-Party Release Settlement Amount to Holders of Claims and Interests who are bound by the Third-Party Release Settlement Agreement; and
- Making all other distributions as provided for in the Plan.

Notwithstanding any provision in the Plan to the contrary, distributions to the Holders of Convertible Notes Claims may be made to or at the direction of the Convertible Notes Trustee, which may act as Disbursing Agent (or direct the Disbursing Agent) for distributions to the Holders of Convertible Notes Claims in accordance with the Plan and the Convertible Notes Documents. The Convertible Notes Trustee may transfer or direct the transfer of such distributions directly through the facilities of DTC (whether by means of book-entry exchange, free delivery or otherwise) and will be entitled to recognize and deal for all purposes under the Plan with the Holders of the Convertible Notes Claims to the extent consistent with the customary practices of DTC; *provided*, that, under no circumstances will the Convertible Notes Trustee be responsible for making or required to make any distribution under the Plan to Holders of Convertible Notes Claims if such distribution is not eligible to be distributed through the facilities of DTC. Notwithstanding anything to the contrary herein, such distributions shall be subject in all respects to any rights of the Convertible Notes Trustee to assert charging liens against such distributions.

C. Rights and Powers of Disbursing Agent.

1. Powers of the Disbursing Agent.

The Disbursing Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan; (b) make all distributions

contemplated hereby; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions hereof.

2. Expenses Incurred On or After the Effective Date.

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Disbursing Agent on or after the Effective Date (including taxes), and any reasonable compensation and expense reimbursement Claims (including reasonable attorney fees and expenses), made by the Disbursing Agent shall be paid in Cash by the Reorganized Debtors, Plan Administrator, or the Creditor Trustee, as applicable.

D. *Delivery of Distributions and Undeliverable or Unclaimed Distributions.*

1. Record Date for Distribution.

On the Distribution Record Date, the Claims Register shall be closed and any party responsible for making distributions is and shall be authorized and entitled to recognize only those record Holders listed on the Claims Register as of the close of business on the Distribution Record Date. Unless otherwise provided in a Final Order from the Bankruptcy Court, if a Claim, other than one based on a Security that is traded on a recognized securities exchange, is transferred twenty or fewer days before the Distribution Record Date, the Disbursing Agent shall make distributions to the transferee only to the extent practical and, in any event, only if the relevant transfer form contains an unconditional and explicit certification and waiver of any objection to the transfer by the transferor.

2. Delivery of Distributions in General.

Except as otherwise provided herein or in the Plan Supplement, the Disbursing Agent shall make distributions, including to Holders of Allowed Claims and Allowed Interests, as applicable, as of the Distribution Record Date at the address for each such Persons as indicated on the Debtors' records as of the date of any such distribution; provided that the manner of such distributions shall be determined at the discretion of the Reorganized Debtors or the Disbursing Agent, as applicable.

3. Minimum Distributions.

The Disbursing Agent shall not make any distributions, including to a Holder of an Allowed Claim or Allowed Interest on account of such Allowed Claim or Allowed Interest of Cash, where such distribution is valued, in the reasonable discretion of the applicable Disbursing Agent, at less than \$250. When any distribution pursuant to the Plan, as applicable, would otherwise result in the issuance of a number of shares of the New Common Stock that is not a whole number, the actual distribution of shares of the New Common Stock shall be rounded as follows: (a) fractions of one-half or greater shall be rounded to the next higher whole number; and (b) fractions of less than one-half shall be rounded to the next lower whole number with no further payment therefor. The total number of authorized shares of the New Common Stock to be distributed under the Plan shall be adjusted as necessary to account for the foregoing rounding. No fractional shares of the New Common Stock shall be distributed and no Cash shall be distributed in lieu of such fractional amounts. Each distribution, including on account of a Claim or Interest, to which these limitations apply shall be discharged pursuant to Article I. of the Plan and its Holder shall be forever barred pursuant to Article IX of the Plan from asserting that Claim or Interest against the Released Parties.

Any amounts owed that are under \$250 shall revert in the applicable Reorganized Debtor automatically (and without need for a further order by the Bankruptcy Court).

4. Undeliverable and Unclaimed Distributions.

If any distribution is returned to the Disbursing Agent as undeliverable, no distribution shall be made unless and until the Disbursing Agent is notified in writing of such Person's then-current address or other necessary information for delivery, at which time all currently due missed distributions shall be made to such Person on the next Distribution Date without interest. Except with respect to the Third-Party Release Settlement Amounts as provided for herein, undeliverable distributions shall remain in the possession of the Plan Administrator or the Creditor Trust until such time as a distribution becomes deliverable, or such distribution reverts to the Plan Administrator or the Creditor Trust or is cancelled pursuant to this Article VII, and shall not be supplemented with any interest, dividends, or other accruals of any kind.

Any distribution under the Plan that is an Unclaimed Distribution or remains undeliverable for a period of 180 days after distribution shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code and such Unclaimed Distribution or undeliverable distribution shall revert in the Plan Administrator or the Creditor Trust, as applicable, automatically (and without need for a further order by the Bankruptcy Court, notwithstanding any applicable federal, provincial, or estate escheat, abandoned, or unclaimed property Laws to the contrary), except with respect to any Third-Party Release Settlement Amounts, which shall revert in the Foris Secured Parties, and, to the extent such Unclaimed Distribution is comprised of the New Common Stock, such New Common Stock shall be cancelled. Upon such reversion, the Claim of the Person or its successors with respect to such property shall be cancelled, released, discharged, and forever barred notwithstanding any applicable federal or state escheat, abandoned, or unclaimed property Laws, or any provisions in any document governing the distribution that is an Unclaimed Distribution, to the contrary. The Disbursing Agent shall adjust the distributions of the New Common Stock to reflect any such cancellation.

5. Surrender of Cancelled Instruments or Securities.

On the Effective Date or as soon as reasonably practicable thereafter, each holder of a certificate or instrument evidencing a Claim or an Interest that has been cancelled in accordance with Article IV.KK hereof shall be deemed to have surrendered such certificate or instrument to the Disbursing Agent. Such surrendered certificate or instrument shall be cancelled solely with respect to the Debtors, and such cancellation shall not alter the obligations or rights of any non-Debtor third parties vis-à-vis one another with respect to such certificate or instrument, including with respect to any indenture or agreement that governs the rights of the Holder of a Claim or Interest, which shall continue in effect for purposes of allowing Holders to receive distributions under the Plan, charging liens, priority of payment, and indemnification rights. Notwithstanding anything to the contrary herein, this paragraph shall not apply to certificates or instruments evidencing Claims that are Unimpaired under the Plan.

E. *Manner of Payment.*

Except as otherwise provided in the Plan, the Plan Supplement, or any agreement, instrument, or other document incorporated in the Plan or the Plan Supplement, all distributions of the New Common Stock to the Holders of the applicable Allowed Claims or Allowed Interests, in each case if any, under the Plan shall be made by the Disbursing Agent on behalf of the Debtors or the Reorganized Debtors, as applicable.

All distributions of Cash, including to the Holders of the applicable Allowed Claims or Allowed Interests, in each case if any, under the Plan shall be made by the Disbursing Agent on behalf of the applicable Debtor or Reorganized Debtor.

At the option of the applicable Disbursing Agent, any Cash payment to be made hereunder may be made by check, Automated Clearing House, or wire transfer or as otherwise required or provided in applicable agreements.

F. *Compliance with Tax Requirements.*

In connection with the Plan, to the extent applicable, the Debtors, the Reorganized Debtors, the Disbursing Agent, and any applicable withholding agent shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions made pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, such parties shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanisms they believe are reasonable and appropriate.

G. *Allocations.*

Distributions in respect of Allowed Claims shall be allocated first to the principal amount of such Claims (as determined for United States federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claims, to any portion of such Claims for accrued but unpaid interest.

H. *No Postpetition Interest on Claims.*

Unless otherwise specifically provided for in the DIP Orders, the Plan, or the Confirmation Order, or required by applicable bankruptcy and non-bankruptcy Law, postpetition interest shall not accrue or be paid on any prepetition Claims, and no Holder of a Claim shall be entitled to interest accruing on or after the Petition Date on such Claim. Additionally, and without limiting the foregoing, interest shall not accrue or be paid on any Disputed Claim with respect to the period from the Effective Date to the date a final distribution is made on account of such Disputed Claim, if and when such Disputed Claim becomes an Allowed Claim.

I. *Preservation of Setoffs and Recoupment.*

Except as expressly provided in the Plan or the Plan Supplement, each Reorganized Debtor may, pursuant to section 553 of the Bankruptcy Code, set off and/or recoup against any Plan Distributions to be made on account of any Allowed Claim, any and all claims, rights, and Causes of Action (other than Avoidance Actions) that such Reorganized Debtor may hold against the Holder of such Allowed Claim to the extent such setoff or recoupment is either (a) agreed in amount among the relevant Reorganized Debtor(s) and the Holder of the Allowed Claim or (b) otherwise adjudicated by the Bankruptcy Court or another court of competent jurisdiction; *provided* that neither the failure to effectuate a setoff or recoupment nor the allowance of any Claim hereunder shall constitute a waiver or release by a Reorganized Debtor or their applicable successor of any and all claims, rights, and Causes of Action that such Reorganized Debtor or their applicable successor may possess against the applicable Holder. In no event shall any Holder of a Claim be entitled to recoup such Claim against any claim, right, or Cause of Action of the Debtors, the Reorganized Debtors, unless such Holder actually has performed such recoupment and provided notice thereof in writing to the Debtors in accordance with Article XIII.G hereof on or before the Effective Date, notwithstanding any indication in any Proof of Claim or otherwise that such Holder asserts, has, or intends to preserve any right of recoupment.

Notwithstanding anything to the contrary herein, nothing in the Plan or the Confirmation Order shall modify the rights, if any, of any counterparty to an Executory Contract or Unexpired Lease to assert any right of setoff or recoupment that such party may have under applicable bankruptcy Law or non-bankruptcy Law, including, but not limited to, the (i) ability, if any, of such parties to setoff or recoup a security deposit held pursuant to the terms of their Unexpired Lease(s) with the Debtors, or any successors to the Debtors, under the Plan, (ii) assertion of rights of setoff or recoupment, if any, in connection with Claims reconciliation, or (iii) assertion of setoff or recoupment as a defense, if any, to any Claim or action by the Debtors, the Reorganized Debtors, or any successors of the Debtors.

J. *Claims Paid or Payable by Third Parties.*

1. Claims Paid by Third Parties.

The Debtors or the Reorganized Debtors, as applicable, shall reduce in full a Claim, and such Claim shall be disallowed without a Claim Objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the Holder of such Claim receives payment in full on account of such Claim from a party that is not a Debtor or a Reorganized Debtor. Subject to the last sentence of this paragraph, to the extent a Holder of a Claim receives a distribution on account of such Claim and receives payment from a party that is not a Debtor or a Reorganized Debtor on account of such Claim, such Holder shall, within fourteen calendar days of receipt thereof, repay or return the distribution to the applicable Reorganized Debtor, to the extent the Holder's total recovery on account of such Claim from the third party and under the Plan exceeds the amount of such Claim as of the date of any such distribution under the Plan. The failure of such Holder to timely repay or return such distribution shall result in the Holder owing the applicable Reorganized Debtor annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the fourteen-day grace period specified above until the amount is repaid.

2. Claims Payable by Third Parties.

No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. To the extent that one or more of the Debtors' insurers agrees to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, the applicable portion of such Claim may be expunged without a Claim Objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

3. Applicability of Insurance Policies.

Except as otherwise provided in the Plan or the Plan Supplement, distributions to Holders of Allowed Claims shall be in accordance with the provisions of any applicable insurance policy. Nothing contained in the Plan shall constitute or be deemed a waiver of any Cause of Action that the Debtors or any Entity may hold against any other Entity, including insurers under any policies of insurance, nor shall anything contained herein constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

ARTICLE VIII.
PROCEDURES FOR RESOLVING CONTINGENT,
UNLIQUIDATED, AND DISPUTED CLAIMS

A. *Allowance of Claims.*

After the Effective Date, each of the Reorganized Debtors shall have and retain any and all rights and defenses the applicable Debtor had with respect to any Claim or Interest immediately before the Effective Date; *provided, however*, the Plan Administrator or Creditor Trust shall have and retain any and all rights and defenses that the Debtors had with regard to any Claim to which they may object, except with respect to any Claim that is Allowed. Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases before the Effective Date (including the Confirmation Order), no Claim or Interest shall become an Allowed Claim or Interest unless and until such Claim or Interest, as applicable, is deemed Allowed under the Plan or the Bankruptcy Code, or the Bankruptcy Court has entered a Final Order, including the Confirmation Order (when it becomes a Final Order), in the Chapter 11 Cases allowing such Claim or Interest.

B. *Claims Administration Responsibilities.*

1. Claims.

With respect to all Classes of Claims, and amounts distributable under the Plan, and except as otherwise specifically provided in the Plan and notwithstanding any requirements that may be imposed pursuant to Bankruptcy Rule 9019, after the Effective Date, the Plan Administrator or the Creditor Trust, as applicable, shall have the sole authority (solely in relation to Class 8 Claims in the case of the Creditor Trust, and in relation to any other Claims in the case of the Plan Administrator) to: (a) File and prosecute Claim Objections; (b) settle, compromise, withdraw, litigate to judgment, or otherwise resolve any and all Claim Objections, regardless of whether such Claims are in a Class or otherwise; (c) settle, compromise, or resolve any Disputed Claim without any further notice to or action, order, or approval by the Bankruptcy Court; and (d) administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court. After the Effective Date, the Plan Administrator or the Creditor Trust, as applicable, shall resolve Disputed Claims in accordance with their fiduciary duties and pursuant to the terms of the Plan.

C. *Estimation of Claims.*

Before, on, or after the Effective Date, the Debtors, the Reorganized Debtors, Plan Administrator, or Creditor Trust (as applicable) may (but are not required to) at any time request that the Bankruptcy Court estimate any Claim pursuant to applicable Law, including pursuant to section 502(c) of the Bankruptcy Code and/or Bankruptcy Rule 3012, for any reason, regardless of whether any party previously has objected to such Claim or Interest or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any such Claim, including during the litigation of any objection to any Claim or during the pendency of any appeal relating to such objection.

D. *Disputed Claims Reserve.*

On or before the Effective Date, the Reorganized Debtors, Plan Administrator, or Creditor Trust (as applicable) shall establish one or more reserves of the applicable consideration for any Claims against any Debtor that are Disputed Claims as of the Distribution Record Date, which reserves shall be administered by the Disbursing Agent.

After the Effective Date, the applicable Disbursing Agent shall hold such consideration in such reserve(s) in trust for the benefit of such Disputed Claims as of the Distribution Record Date, that are ultimately determined to be Allowed after the Distribution Record Date. The Disbursing Agent shall distribute such amounts (net of any expenses, including any taxes relating thereto), as provided herein, as such Claims are resolved by a Final Order or agreed to by settlement, and such amounts will be distributable on account of such Claims as such amounts would have been distributable had such Claims been Allowed Claims as of the Effective Date under Article III of the Plan solely to the extent of the amounts available in the applicable reserve(s).

Upon a Disputed Claim becoming disallowed by a Final Order, the applicable amount of the consideration that was in the disputed claims reserve on account of such Disputed Claim shall be canceled by the Reorganized Debtors or the applicable Disbursing Agent. The Disbursing Agent shall adjust the distributions of the consideration to reflect any such cancellation.

The Debtors, the Reorganized Debtors, Plan Administrator, or Creditor Trust (as applicable) may take the position that grantor trust treatment applies in whole or in part to any assets held in a disputed claims reserve. To the extent such treatment applies to any such account or fund, for all U.S. federal income tax purposes, the beneficiaries of any such account or fund would be treated as grantors and owners thereof, and it is intended, to the extent reasonably practicable, that any such account or fund would be classified as a liquidating trust under section 301.7701-4 of the Treasury Regulations. Accordingly, subject to the immediately foregoing sentence, if such intended U.S. federal income tax treatment applied, then for U.S. federal income tax purposes, the beneficiaries of any such account or fund would be treated as if such beneficiaries had received an interest in such account or fund's assets and then contributed such interests to such account or fund. Alternatively, any assets held in the Trust Claims Reserve for certain Disputed Claims may be subject to the tax rules that apply to "disputed ownership funds" under 26 C.F.R. 1.468B-9. To the extent such treatment applies, such assets will be subject to entity-level taxation, and the Reorganized Debtors shall be required to comply with the relevant rules.

E. *Time to File Objections to Claims.*

Any objections to Claims or Interests shall be Filed on or before the later of (i) 180 days after the Effective Date and (ii) such other period of limitation as may be specifically fixed by the Bankruptcy Court upon a motion by the Debtors, the Reorganized Debtors.

F. *Disallowance of Claims or Interests.*

Except as otherwise expressly set forth herein, all Claims and Interests of any Entity from which property is sought by the Debtors under sections 542, 543, 550, or 553 of the Bankruptcy Code or that the Debtors or the Reorganized Debtors allege is a transferee of a transfer that is avoidable under sections 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code shall be disallowed if: (a) the Entity, on the one hand, and the Debtors or the Reorganized Debtors, as applicable, on the other hand, agree or the Bankruptcy Court has determined by Final Order that such Entity or transferee is liable to turn over any property or monies under any of the aforementioned sections of the Bankruptcy Code; and (b) such Entity or transferee has failed to turn over such property by the date set forth in such agreement or Final Order.

G. *No Distributions Pending Allowance.*

Notwithstanding any other provision of the Plan, if any portion of a Claim or Interest is a Disputed Claim or Interest, as applicable, no payment or distribution provided hereunder shall be made on account of such Claim or Interest unless and until such Disputed Claim or Interest becomes an Allowed Claim or Interest; *provided* that if only the Allowed amount of an otherwise valid Claim or Interest is Disputed, such

Claim or Interest shall be deemed Allowed in the amount not Disputed and payment or distribution shall be made on account of such undisputed amount pending resolution of the dispute.

H. *Distributions After Allowance.*

To the extent that a Disputed Claim or Interest ultimately becomes an Allowed Claim or Interest, distributions (if any) shall be made to the Holder of such Allowed Claim or Interest in accordance with the provisions of the Plan. As soon as reasonably practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim or Interest becomes a Final Order, the Disbursing Agent shall provide to the Holder of such Claim or Interest the distribution (if any) to which such Holder is entitled under the Plan as of such date, without any interest to be paid on account of such Claim or Interest.

I. *Single Satisfaction of Claims.*

Holders of Allowed Claims or Allowed Interests may assert such Claims against or Interests in the Debtors obligated with respect to such Claims or Interests, and such Claims and Interests shall be entitled to share in the recovery provided for the applicable Claim or Interest against the Debtors based upon the full Allowed amount of such Claims or Interests. Notwithstanding the foregoing, in no case shall the aggregate value of all property received or retained under the Plan on account of any Allowed Claim or Allowed Interest exceed the amount of the Allowed Claim or Allowed Interest.

**ARTICLE IX.
SETTLEMENT, RELEASE, INJUNCTION, AND RELATED PROVISIONS**

A. *Discharge of Claims and Termination of Interests.*

Pursuant to section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan, the Confirmation Order, any other Definitive Document, or in any contract, instrument, or other agreement or document created or entered into pursuant to the Plan or the Plan Supplement, the distributions, rights, and treatment that are provided in the Plan shall be in complete satisfaction, discharge, and release, effective as of the Effective Date, of Claims (including any Intercompany Claims resolved or compromised after the Effective Date by the Reorganized Debtors), Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and interests in, the Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims and Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (a) a Proof of Claim based upon such debt or right is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (b) a Claim or Interest based upon such debt, right, or interest is Allowed pursuant to section 502 of the Bankruptcy Code; or (c) the Holder of such a Claim or Interest has accepted the Plan; provided, however, any DIP Facility Claims and/or Foris Prepetition Secured Claims that are rolled up, converted, exchanged, refinanced or amended and restated into the Exit First Lien Facility and/or New Common Stock of Reorganized Amyris shall not be deemed satisfied and discharged and shall continue in full force and effect. Any default by the Debtors or their Affiliates with respect to any Claim or Interest that existed immediately prior to or on account of the filing of the Chapter 11 Cases shall be deemed cured on the Effective Date. The Confirmation Order shall be a judicial determination of the discharge of all Claims (other than the Reinstated Claims) and Interests (other than the Intercompany Interests that are Reinstated) subject to the occurrence of the Effective Date.

B. *Release of Liens.*

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Third-Party Release, which includes by reference each of the related provisions and definitions contained in the Plan, and, further, shall constitute the Bankruptcy Court's finding that the Third-Party Release is: (i) essential to the Confirmation; (ii) given in exchange for the good and valuable consideration provided by the Released Parties, including, without limitation, the Released Parties' contributions to facilitating the Creditor Trust and the Third-Party Release Settlement Amounts and the restructuring and implementing the Plan; (iii) a good faith settlement and compromise of the claims or Causes of Action released by the Third-Party Release; (iv) in the best interests of the Debtors and their Estates; (v) fair, equitable, and reasonable; (vi) given and made after due notice and opportunity for hearing; and (vii) a bar to any of the Releasing Parties asserting any Direct Claim released pursuant to the Third-Party Release.

All injunctions or stays contained in the Plan or the Confirmation Order shall remain in full force and effect in accordance with their terms. The Trading Order shall remain enforceable (i) as to transfers through the Effective Date with respect to those persons having “Beneficial Ownership” of “Common Stock” (as such terms are defined in the Trading Order), and (ii) as to taking any action that claims any deduction for worthlessness of “Beneficial Ownership” of “Common Stock” by a “50-Percent Shareholder” (as such terms are defined in the Trading Order) for a taxable year ending before the Effective Date.

I. *Entire Agreement.*

Except as otherwise indicated, the Plan (including, for the avoidance of doubt, the documents and instruments in the Plan Supplement) supersedes all previous and contemporaneous negotiations, promises, covenants, agreements, understandings, and representations on such subjects, all of which have become merged and integrated into the Plan.

Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan will remain in full force and effect and will in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation.

The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is: (a) valid and enforceable pursuant to its terms; (b) integral to the Plan and may not be deleted or modified without the Debtors' or the Reorganized Debtors' consent, as applicable; and (c) nonseverable and mutually dependent.
